2

Dear Aggie,

My sister's got a headache and a cold. I want to help her. What should she do? Can you tell me, please?

Love,  
Olga

Dear Vadim,

Your project sounds very interesting! When you're in the countryside, you mustn't put out any fire and you mustn't drop litter. Also, try not to make a lot of noise because it scares the animals.

Good luck with your project!

Love,  
Aggie

Dear Olga,

I'm sorry to hear that your sister is ill. Your mum should give her an aspirin for her headache and she should go to the doctor. She shouldn't go outside to play. She should stay in bed.

Hope this helps!

Love,  
Aggie
