- H. Dear Sir,  
I would like to apply for the job of part-time librarian in your library.  
I am a third year student of teacher training college and I have vocations in summer and I think that a summer job is a good idea.  
I have no experience yet but I am very hard-working and enthusiastic. I am also very good at Literature.  
Here's a copy of my CV. I can come for an interview at your convenience.  
Yours sincerely  
.....

- H. A Visit to the Museum  
Last autumn at the weekend, my pal Rose and I decided to visit the local museum of painting. It was rather sunny for such a September day. We easily found the museum and went inside.  
We were surprised how few people were inside. We walked slowly looking at the pictures. The halls were huge with high decorated ceilings. We had been wandering for around an hour when we realized that we were extremely tired.  
Luckily, we saw a direction sign of the buffet. We had a nice bite there chattering about the portraits and landscapes we had seen in the museum halls. We had a nice rest and went on to the halls.  
When we were leaving, in the entrance hall we met some of our schoolmates and shared our great impressions from the pictures. We were happy not to waste the day and to get some new experience.
